Welcome to the LTG Link Traintravellers Club!

After all, you know how much we love trains – one of the most sustainable and least CO2 emitting means of motor transport!

However, we also love something else... DISCOUNTS! So, we combined these two things and founded the Traintravellers Club!

We are building a community that chooses to travel more sustainably, enjoys time for THEMSELVES, receives special discounts from LTG Link and partners, and earns CLUB points for eeeeevery trip! Even more reasons to travel by train!

But what are CLUB points?

More train trips – less CO2 – less pollution! That's why for every kilometer traveled by train, you earn points in your LTG Link account! And you can exchange them for discounts on train tickets!

So travel TOGETHER, reduce CO2, enjoy special perks, and earn discount points for every trip!

Once again, welcome to the Traintravellers Club, dear traveller! Now, we'll let you look around and WISH you a pleasant journey!

Why drive if you can travel!
